

MIS MODERN SLAVERY STATEMENT

Statement

This statement is made by Medical Imaging Systems Ltd (MIS Healthcare) in accordance with the requirements under section 54 of the Modern Slavery Act 2015. MIS Healthcare have put in place steps to ensure that no slavery or human trafficking takes place within our business or within our supply chains.

Our Commitment

We are committed to educating our employees, sub-contractors and suppliers to the important issues relating to Modern Slavery and human trafficking. We would encourage people to come forward and report any concerns they may have without the fear of any reprisals.

MIS Healthcare have a zero tolerance to slavery or human trafficking, and we also expect this from our supply chains. Senior Management are responsible for compliance within their departments and within their supplier relationships.

Due Diligence

We will continue to implement due diligence procedures for our suppliers, contractors, and other participants within our supply chain. We shall notify all concerned should we become aware of any actual or suspected slavery or human trafficking in a supply chain which has a connection with our obligations. We will review this statement on a yearly basis.

Training

MIS Healthcare employees are educated and trained via their line managers and through BreatheHR regarding Modern Slavery and Human Trafficking.

Compliance

MIS Healthcare have the following policies in place to help identify procedures in place to protect our employees, agency staff and contractors –

Ethical Employment Policy

Equal Opportunities Policy

Equality and Diversity Policy

Further Steps

MIS Healthcare will continue to focus on modern slavery and review this statement where appropriate to mitigate any risks within our business and within our supply chain. This statement will be reviewed on a yearly basis unless any changes are needed to be applied beforehand.

Approval

This statement was approved by our board of directors in accordance with section 54(1) of Modern Slavery Act on 14th September 2021 and is reviewed annually.
